

Umpqua Joe 1859

2019/6024 Calendar of Events

2019 Fireworks Stands

This year Umpqua Joe 1859 will sponsor a fireworks stand in Selma on July 3rd & 4th and a second in Cave Junction from June 27th thru July 4th. The saving grace were a few volunteers doing an all nighter inside the stands to protect our investment - they have volunteered to assist this year - but we need a couple more men!!! Also, last year another very positive response came from a couple of Clamper Ladies that managed the till/credit card machine! (So many Thank You's to theses folks!) Now, for this coming year we will need even more volunteers as two booths instead of one - please get your name on the list ! NGH Ken : 541-218-4848
